§21–402.

The purpose of the authority granted under this part is to:

(1) finance the establishment, acquisition, design, construction, alteration, improvement, extension, operation, and maintenance of:

- (i) adequate storm drainage systems;
- (ii) public parking facilities;
- (iii) pedestrian malls;
- (iv) street and area lighting; and
- (v) ride sharing and bus systems;

(2) finance the capital and operating costs to enhance police, fire protection, and rescue services; and

(3) provide financing for commercial district management authorities established under § 5–214(b) of this article.
